

Judged Classes		Description	Awards			
Class Number	Class Definitions and Criteria	Stock Classes include vehicles that have a totally stock appearance with allowances for up to 3 modifications. Safety upgrades are not considered modifications. Modified classes include vehicles that have clearly been altered beyond factory stock appearance. Examples of modifications would be; an engine that may not have been offered in that year, after market interior components, non-stock colors for the year car, narrowed rear ends, wheel tubs, modified fender wheel openings, chopped roof, fuel injection, through hood induction systems, excess chrome, etc. If you have any questions pertaining to your car's stock or modified status, please see one of the judging staff for clarification before judging opens at 10:00am. Your vehicle may move from stock to modified or vice versa at the discretion of the judging staff.
